

First Announcement

Dear colleague,

We invite you to submit your original scientific, engineering or artistic solutions, artwork, design, digital works, etc. which use geometry as a means, inspiration or mode of expression, to be displayed at the international exhibition

Dimensions Reflected

<https://mong2020masbg.wordpress.com/>

which will be staged at the Faculty of Mechanical Engineering, University of Belgrade, as an integral part of the 7th International conference “**moNGeometrija 2020**”, Belgrade (Serbia) on 4-7th June 2018.

<http://mongeometrija.com/konferencije/mongeometrija-2020>

Your proposal may relate to the piece of research already presented in the conference paper, or it may be independent work (published or unpublished) by researchers or artists who do not participate in the scientific section of the Conference.

As an additional exhibition section, there will be displayed the student works exhibition:

Dimensions Reflected – Perspective

We invite students whose projects are related to the theme of the Exhibition, as well as professors who wish to present selected student works on their courses to participate in this section of the exhibition.

Call for submissions is open until **April 5th, 2020**.

About Exhibition

More information about the Exhibition and how to apply can be found here:

<https://mong2020masbg.wordpress.com/>

The information about registration fee can be found here:

<https://mong2020masbg.wordpress.com/2020/02/10/registration/>

Second Announcement with more details will be sent within the next 10 days.

Note: All further mail regarding the Exhibition will be sent to you by e-mail: deltaedar@gmail.com

Please feel free to forward this invitation to any people you think may be interested in attending the event.
